THERAPEUTIC EQUESTRIAN CENTER

## Why Volunteer at Miracles?

*Volunteering at Miracles in Motion has provided me with a wonderful opportunity to interact with and help care for the therapy horses, as well as to get to know my fellow volunteers. It is gratifying to be part of the team that supports the therapeutic therapy sessions, which greatly benefit a wide range of children and adult patients.*

*Volunteering at Miracles makes me feel like I'm making a difference. I enjoy working with the horses, the riders and all the wonderful people.*

## YOU can be part of the Miracles Volunteer Team

Spring Training Scheduled

Saturday, March 7th, 21<sup>st</sup> and 28<sup>th</sup>

Training sessions will be held on three Saturdays in March for side-walkers, horse leads and barn assistants. Everyone -- both new and returning volunteers -- needs to go through the training if you are interested in working with horses.

Side-walkers will only need to be there for the morning session, 8:30 until lunch break. Horse leads and barn assistants will need to attend both the morning and afternoon session which lasts until mid-afternoon.

Email Maggie Elliott, Volunteer Coordinator, if you will attend and indicate the day and if you will be staying for the afternoon to [volunteermiraclesinmotion@gmail.com](mailto:volunteermiraclesinmotion@gmail.com).

We will be holding limit the training classes to 25.

There will be a separate orientation for those interested in working on special events, property, administration and other tasks around the Miracles farm.

*Thank you! Volunteers make Miracles happen!*
