## Boy Scout Troop 235 holds work day at the Miracles farm

We had the help of Boy Scout Troop 235 from Riverside, Saturday around the Miracles farm. After learning a bit about grooming horses, 12 scouts went to work doing clean up in the outdoor arena and other jobs needing a scouting touch. Board member, Lee Smith, and intern, James Long, were kept busy keeping the Scouts busy!

### Our thanks to Jean Walker for donating to Miracles in Motion

Miracles sends heartfelt thanks to Jean Walker for a major donation to support horse care for our senior horses and scholarships for students! Jean learned about horses through the Pony Club in Ireland. Fast forward 50 years and she is now back in the horse world – riding and competing on Murphy, her medicine hat paint. She came away from her visit to the Miracles farm impressed by all the work volunteers and barn personnel had done to clean up, organize and set procedures in place to make a safe environment for the students, horses and volunteers.

**Attention all Amazon shoppers** Without costing you any additional money, Amazon will donate a portion of your qualified purchases (0.05%) to the charity of your choice. We hope you'll designate Miracles as that charity. Then every time you shop, start at smile.amazon.com – it's that simple. There's more information at smile.amazon.com. Here's the link to sign up and designate Miracles <https://smile.amazon.com/ch/42-1324801>

## Miracles receives \$2000 grant from Washington County Riverboat Foundation

Our thanks go out to the Washington County Riverboat Foundation for a \$2000 grant presented to Miracles in Motion July 20th. The money is designated for much-needed repairs and maintenance around the Miracles in Motion property. We're planning on fixing some fences, painting the porch and replacing a couple of windows in the house. We are so fortunate that so many local organizations volunteer for work days at the farm, and labor for these projects will be donated. The Washington County Riverboat Foundation granted over \$99,000 to 52 regional nonprofit organizations. Board member, Lois James, accepted the check on behalf of Miracles.
