BOO AT THE BARN

WE HAD A FAB -*BOO* - LOUS TIME

This year we welcomed over 700 new and familiar faces to our farm in addition to many volunteers, partners and sponsors! The sun was shining, leaves were crunching, and a lovely breeze kept the crowd cool and comfortable. Event goers enjoyed crafts, games, activities and of course, our costumed horse parade!

In 1904, a dedicated group of citizens in Hills, Iowa, came together with one shared goal: to create a local community bank that truly cares about the people it serves and provides ways to help them prosper. Though Hills Bank has grown quite a bit since then, they remain committed to our most valuable assets – their customers and employees.

Today, Hills Bank spans 19 locations with more than 500 co-workers across four eastern Iowa counties. They have achieved this growth by earning their customers' respect and connecting with them, one at a time. With a large asset base and a local focus, they can offer the services of a regional bank with the responsiveness of a community bank, and advanced digital banking with a personal touch. Sponsoring Boo at the Barn is just one example of Hills Bank giving back to the communities they serve. Check out their website at www.hillsbank.com

Planning for tomorrow, together

Boo at the Barn would not be possible without the generous support of our sponsors. We are especially appreciative of James Investment Group, a long-time supporter of Miracles, and one of the Lead Sponsors of Boo at the Barn this year. This family-owned business is known for its support of many amazing non-profits in the Johnson County area, including Miracles in Motion, for which we are most grateful. Iowa City's trusted financial advisors since 1984, James Investment Group takes a collaborative, values-based approach to financial planning. It's that spirit of values-based decision making that guides the way they support clients and their community each day. Check out their website: <https://www.raymondjames.com/jamesinvestmentgroup>
